

Calgary Warriors Track Club
2019-2020 Membership Information and Fees

The Calgary Warriors Membership year runs from October 1, 2019 to September 30, 2020.

Registration starts August 15, 2019. There is online registration form on our website:

<http://www.calgarywarriorstrack.com/>

All athletes have to be registered by October 31, 2019 to be able to train in our indoor facility. We preferably accept athletes who want to compete in track and field meets and commit for the whole year. We accept athletes age 12 and up (by December 31, 2020). The Calgary Warriors Track Club is in no way obliged to accept your membership application. Numbers we can accept will be limited because of limited space in our indoor facility. New members should go through a try-out period of two weeks to see if the club will be a fit for them. Try outs are at your own risk, although a two-week trial membership at Athletics Alberta is encouraged: <https://athleticsalberta.com/aa-membership/>; only Athletics Alberta members will have insurance. All who want to try-out, need to fill out the online registration form on our website.

The 2019-2020 Membership Fee is \$850 plus the Athletics Alberta membership fee (\$60, \$85 or \$105, depending on your age).

Born in 2007 or later: \$850+\$60=\$910

Born in 2003-2006: \$850+\$85=\$935

Born in 2002 or before: \$850+\$105=\$955

We accept payments by cheque or e-transfer only.

Please make all cheques payable to **Calgary Warriors Track Club**.

E-transfers to: Basil Akalonu, treasurer: cwtclubtreasurer@gmail.com

All fees are due October 30, 2019.

If paying the total amount up front is a burden, there is the option to submit postdated cheques: 2nd cheque dated January 31, 2020; 3rd cheque dated April 30, 2020 (postdated cheques \$300 each, remainder of the amount on the first cheque due in October). E-transfers by those dates are acceptable as well.

New members are required to purchase a competition singlet at a cost of \$50. Other apparel is available as well, including track suits, hoodies, and long or short sleeve shirts.

Athletes supply their own black track shorts.

Parents are expected to work at the casino. The casino is our main source of income. The proceeds are used to pay for track rentals, coaches, equipment, and to subsidize our athletes for their meet expenses.

The last casino was in January 2019 and the next casino will probably be April/May/June 2020.

Casino Coordinator: Charlotte Jukes: cejukes@gmail.com

Parents are expected to volunteer at meets. In addition to the casino, parents are expected to volunteer at meets, indoor as well as outdoor. Every family should put in at least **8 hours** of volunteering per year. Working half a day at a meet is 4 hours, a whole day is 8 hours. Some of the jobs are: officiating at meets, chaperoning at out-of-town meets, taking care of food/snacks/water/lunches at out-of-town meets, taking care of our tent, being a board member etc.

Volunteer Coordinator: Carrie Mullin Innes: mullinnes@yahoo.com

To avoid that some parents work a lot of volunteering hours and others don't, we will need to receive a volunteer commitment cheque from every family for **\$400**, postdated June 30, 2020. If volunteer hours have not been fulfilled, the cheque will be cashed. In the past, some families didn't volunteer which placed a burden on other parents who had to do the extra hours. That is why we increased our volunteer bond to \$400. No worries, when you have volunteered we tear up the cheque at the end of the outdoor season.

Outdoor season memberships for those starting late: \$450 plus AA Membership fee (see above for amounts). We encourage everyone to train year round – athletics is not just a summer sport. Available spots on the team for the outdoor as well the indoor season depend on our numbers.

An Athletics Alberta Informed Consent Agreement, A Parents and Guardians Code of Conduct, and the Canadian Anti-Doping Program Agreement and the Calgary Warriors Rules, Fees and Obligations have to be read, agreed to and signed online.

Athletics Canada/Alberta Membership Categories:

Senior: 20 and over; Junior or U-20: 18-19; Youth or U-18: 16-17; Midget or U16: 14-15; Bantam or U14: 12-13. *Athlete's age as of December 31, 2020 determines the category of the athlete in the whole year of 2020.*

Spring Training Camp

Meet Entry Fees

Athletes are responsible for their own meet entry fees. Meet entry fees are generally from \$15 to \$20 per event, \$20-25 for provincial championships, \$50 for Canadian Championships. Every athlete needs to bring a cheque for \$300 with the registration payments, or make an e-transfer. This goes into your Entry Fee Account. We will keep track of all your entry fees. When the \$300 has been used up, we require a new deposit. If there is a balance at the end of the outdoor season, we will transfer that amount to the next season. If you are leaving the club at that time, you can get a refund.

If you have been entered in a meet and don't compete, the entry fee will still be charged to your account, unless you cancelled before the cut-off date, which might be from 2 days up to 10 days before the meet, depending on the meet organizers.

Out of town meets

Athletes are required to pay their meet fees (for hotel, meals and transportation) before the first day of the meet. Out of town meet fees are the same for everyone, not depending on if you are traveling/staying with the team or with your parents. If you need an exception, you need to talk to Head Coach Jan Lips well ahead of time (3 weeks).

Indoor season: 3 Edmonton meets, 3 or 4 Calgary meets. Simplot Games in Pocatello, Idaho in February for our top high school athletes.

Outdoor season: about 5 Calgary meets and 5 out of town (could be Edmonton area, Lethbridge, Medicine Hat, Kelowna, Kamloops). Canadian Championships for our top athletes in senior, U20, U18, U16 categories.

For any questions, please email Head Coach Jan Lips: calgarywarriors@gmail.com.

You may talk to the other coaches at our practices as well, or contact them via email or phone.
