

Instructions for New Members under COVID-19 Rules. March 2021

Under the Athletics Alberta and Athletics Canada Covid-19 regulations, all athletes need to be members of a club (and automatically of Athletics Alberta and Athletics Canada) in order to be able to train with a club.

You can start with a 14 day Athletics Alberta Trial Membership. There is no cost for a trial membership. See below for instructions.

Do not submit a trial membership until your son or daughter is ready to attend practices. The membership will be valid for only 14 days after the date the trial membership is submitted.

After the 14 day trial has expired, you need to go to the Athletics Alberta website again and register for a year-long attached club membership.

Other apparel (jackets, hoodies, sweaters, long or short sleeve shirts, pants) is available from our Board Member Holly Bliss: bliss.holly@gmail.com

They have likely to be ordered and it takes about 6 weeks to get them, so please order early.

Meet Entry Fee Account: since there will be no meets during indoor (and we don't know yet what is happening after), meet entry fees (\$300) are due by April 30, 2021.

IMPORTANT:

A volunteer bond postdated check (dated June 30, 2021) for \$400 is due by October 27, 2020 or at start date with the club.

If you do not have cheques available, you can transfer \$400 to the treasurer and the money will be placed in a savings account.

Athletics Alberta has a new Club Policy (per January 1, 2021) that states that every athlete registered with Athletics Alberta has to provide 12 hours of volunteering hours at meets (meaning that for every athlete their parents, family or friends have to provide 12 hours of volunteering per year). Clubs have to pay \$1000 bond at the beginning of the year with their \$500 club membership. We could lose that money (or part of it) if insufficient volunteer hours have been worked.

The volunteer cheque will also cover the casino. Our August casino was cancelled, we hope for a next casino date during the first quarter of 2021.

The volunteer cheque will be cashed if not sufficient volunteer hours have been worked or the casino has not been worked.

If the required commitments are fulfilled, the cheque will be destroyed. Deposits that are made into the volunteer bond savings account can be transferred to next year or will be refunded when leaving the club.
